

PRODUCT SHEET

FLOOR PLANNING

Floor planning can be an extremely beneficial business strategy for automotive dealers.

Increase your business volume, improve your profit margins and enhance dealer relations and loyalty with floor planning from Banqsoft.

BanQsoft

FLOOR PLANNING

A COMPLETE END-TO-END SOLUTION

Floor planning is a short term loan/credit line used by retailers to purchase new and used cars based on collateral:

- To maximise the selling potential of your retail space
- To grow your product groups
- To please your customers with a logical product flow
- To increase basket sizes

Floor Planning from Banqsoft supports car dealers need for financing of demo cars, new and used cars in stock in different business models like consignment, loans and wholesale.

Banqsoft also offers partner integrations and self-service solutions with possibilities for multi-branding in all channels, delivered as responsive services for pc, tablet and mobile phones.

Key Features

- Financing
- Insurance
